Results pertain to samples received according to sampling procedures in SOP-065-NJ and relate only to items tested. All testing activities (except sampling) took place at the laboratory address listed on the transfer manifest. Serving size (g) has been determined by the laboratory unless otherwise specified. Serving size affects reported data where applicable. Action limits set according to NJ Cannabis Regulatory Commission Resolution. Where statements of conformity are made ("pass" vs. "fail"), the simple acceptance decision rule is applied. The measurement uncertainty associated with each test method may impact the certainty with which a statement of conformity is made. This is a simplified report, however measurement uncertainty and limit of detection values are available upon request.

*MRL = Minimum Reporting Limit **dry-weight potency ***NR = Not Reported
